

## **HUMANE OHIO**

Humane Ohio operates a low-cost spay/neuter clinic and a pet food bank. Our vision is a community without homeless pets where every resident has access to affordable spay/neuter.

## **VOLUNTEER PROGRAM**

People who volunteer for Humane Ohio come from all walks of life. Some are teenagers completing school service learning projects, some are professionals looking to spend time working for a cause they love, some are stay-at-home moms or dads and others are retirees. What they have in common is a love of animals and a desire to make a difference.

### **Volunteer Opportunities Include:**

Humane Ohio Pet Food Bank  
Community Outreach  
Humane Ohio Cattitude Team/Trap-Neuter-Return (TNR)  
Donation Canister Volunteer  
Pet Food Bin Volunteer

### **Age Requirement**

Due to liability restraints, volunteers must be at least 18 years old. We do have youth volunteer opportunities and short-term community service projects for kids who need to complete community service hours for school, church, etc. like making dog beds and cat toys, organizing a pet food drive to collect dog and cat food for the Humane Ohio Pet Food Bank and more. Please visit [www.humaneohio.org](http://www.humaneohio.org) ("Get Involved" section) for a list of projects.

All volunteers are required to complete a volunteer application and sign a liability agreement.

### **Getting Started**

If you are interested in any of the above volunteer opportunities or would like more information, please e-mail [info@humaneohio.org](mailto:info@humaneohio.org). We look forward to meeting you and to working together to reduce pet homelessness in our community!
